

## AOR COVID 19

### Mitigation Plan – Screening Questions

#### Practice and Games

##### Overview

AOR's mitigation plan requires someone from the league or teams (a safety coordinator) to ask screening questions of players and game volunteers. For practices, coaches will ask these questions of players. When the players answers are "no", the player's attendance can be recorded on a tracking sheet. If the player answers yes, they may not stay for practice.

For games, record this information prior to each game for all game volunteers. Keep a record in the team manager's files in case it is requested.

This screening is per Alaska State Little League COVID-19 Mitigation Plan section II.a.vi.1.
